Dear Anita,

This will confirm our telephone conversation of yesterday. Both the Joint Assembly of Northside Associated Ministries and the Vestry of St. Aidan's Church are excited about the prospect that your Armenian congregation may be using our facilities once a month. They all wish me to let you know that you are welcome.

It seems that the best time and place is for use of the St. Aidan's worship area on the last Sunday of each month (except for this October, which will be the third Sunday) from 11:00 am until 1:00 pm. During that time, our two congregations will be having a joint worship service in the Presbyterian area.

This means you folks will be the only ones on the St. Aidan's side, but at about 12:15 there will be a number of people walking past as we leave our service. I don't think that will be a problem.

We would like to invite your congregation to arrive at 10:30 am and join us in our coffee hour before we all go to worship. This would be a good way for us to get to know one another.

As I said, I will have to check again on the rental. It will be somewhere between forty and fifty dollars, I am sure.

Please let me know what you decide to do. You can begin as early as September 27.

Peace,

W. William Melnyk  
Rector
