Mr. Michael Connors
4810 Louise Street
Encino, California

Dear Michael:

Some time ago we had occasion to meet a very fine family in Albuquerque when we were called to baptize a daughter and grandchild. They have written us recently, asking help for a son. We cannot give the help which you may be able to give. And so we are writing to you.

His name is Jay Dersahagian; he lives in Encino; and apparently wants to make a career as a movie stunt man. He has been established in Hollywood for three years and has not been able as yet to get steady employment.

Is there anything you can do in the way of introductions or contacts?

We have enclosed a picture of him, together with a listing of his qualifications, which were sent to us by his parents. If you prefer, we could have him call you. We did not want to do anything, however, before communicating with you.

May God bless you and your loved ones always.

Prayerfully,

Archbishop Torkom Manoogian
Primate
