your grace.

I want to thank you for your promptness on such short notice in sending Father Kasparian to us. He was very very helpful and beneficial in every way.

Needless to say our affair of OCT. 14, was very successful. We raised all the money needed to meet Sam Harrison's requirements.

Hekimian and I will meet with Mr. Harrison in a few days to receive his money.

Our next main object now will be construction and planning for the new building. In this respect we will need your advice and counsel. Already there are too many people talking with too many different ideas.

I am firmly convinced that Mr. Harrison plans to be more helpful to us in the future.

Perhaps a testimonial dinner in honor of him would be in order. This could be arranged at a time that you would be able to be here. Also if we have at least the plans or sketches drawn up by that time it would be more impressive.

As you know, this has been an uphill fight but thank God we are now on the way.

Thank you again for sending Father Kasparian. He impressed everyone and really put much effort in the few days he was here.

Please write me at your convenience.

Sincerely  
Steve
