

ACVOA PROGRAMMING COMMITTEE

The A.C.Y.O.A. Programming Sub-Committee charges the Central Council with the task of reinstituting the two week "Trip to Armenia" with a focus on older A.C.Y.O.A. members as participants. The success of the A.C.Y.O.A. Armenian Studies Program has been proven over the years by the increased participation in this program. We feel this program would benefit those in the working world and help to perpetuate our culture, faith, and heritage.

*Passed*

The A.C.Y.O.A. Programming Committee charges the Central Council with forming a committee to institute an "Armenian Awareness Drive" This committee will research and sanction legitimate Armenian cultural and language programs. Detailed information regarding this program will be compiled into a directory for distribution to all chapters. This directory will include a list of programs with price information, program content, program duration, date, sponsor, location, and scholarships.

*defeated*

The A.C.Y.O.A. Programming Committee charges the Central Council with researching the feasibility and possible implementation of an "Armenian Language Weekend" consisting of crash courses in the Armenian language. This Weekend will be geared to A.C.Y.O.A. members.
