Dear Virginia Parker,

We have received your letter of March 8th informing us of our balance with you concerning our stay on January 23rd. Due to unusual circumstances, we were unable to stay both nights, and appreciate your charging us accordingly.

Because we were not prepared to pay our bill upon registering for our rooms, and, that there was no one with authorization to issue receipts, we were unable to write a check the following morning. We therefore expected to receive a bill from you.

We appreciate your patience and intend to forward a check in the amount of \$63.00 immediately.

Sincerely yours,

JAMES MAGARIAN
Executive Secretary
