Dear Alan,

We are sorry to learn, through a lack of interest, that we will not have the participation of members from the ACYOC in our Armenian Studies Program - Educational Tour to Armenia. We have filled the spaces left open for ACYOC participation with our own members and are happy to announce that the group shall depart from New York City enroute for Yerevan as scheduled on June 10th.

Our second trip to Armenian "Journey" to Armenia Program, although small in numbers, shall depart on July 1st for two weeks in the Fatherland. Our third Armenian Studies Program - Jerusalem "The Holy City" is still open and you may suggest to those interested to contact me immediately for more information.

We hope that all is going well for you. Perhaps we might meet at our General Assembly in Chicago. I look forward to hearing from you.

Sincerely yours,

JAMES MAGARIAN  
Executive Secretary
