Dear Mark,

This is to officially inform you that the Primate and Diocesan Council of the Diocese of the Armenian Church have confirmed and approved the proceedings and the decisions of the Annual ACYOA General Assembly recently held in Hartford.

We extend to you recognition for your efforts in serving the Armenian Church during the past two years as a member of the Central Council of the Armenian Church Youth Organization of America. Your presence on the Council brought sincerity, dynamism and a determination to accomplish that assisted in making the Council of the past year a successful and accomplished-filled group. You helped in making the ACYOA Central Council a more harmonious body than had been experienced for several years.

We extend to you our best wishes for future success in your God-pleasing endeavors - in both Church and secular areas. We are confident that whatever your involvement, you will bring to it your sincere dedication and determination to accomplish.

Your participation in your local parish is of greater importance than you may think. To initiate change and secure progress must begin on the local level - where it will be most immediately felt. You can be the one to initiate changes and really assist in the local youth program, as well as other areas of the Parish. We both know of the real needs that exist, perhaps you will meet the challenges and begin the stages to initiate changes.

May God bless you and your family.

Sincerely yours,

JAMES MAGARIAN
Executive Secretary
