Chairman - Wisconsin ACYOA Chapter
5050 Ruby Avenue
Racine, WI 54302

Dear Kai,

It was a pleasure to speak with you recently. As usual, you spoke with confidence and enthusiasm - this we are sure is one of the reasons the Wisconsin Chapter is successful and accomplish the things they set out to do.

As we discussed, the dates suggested for the visitation is not convenient. We have also discussed this with Der Garabed, and have sent him a letter regarding same.

Perhaps we can make some arrangements for February or March. We should like to include Waukegan and the Chicago area parishes. If you can coordinate such arrangements, please inform. We would really appreciate your assistance.

Stay well Kai. We hope that your Church, and secular, endeavors are going well. Stay in touch.

Sincerely yours,

JAMES MAGARIAN
Executive Secretary
