Chairman - Northern N.J. ACYOA Chapter
954 Wildwood Road
Oradell, N.J. 07649

Dear Douglas,

Hope all is well with you.....haven't heard anything from Northern New Jersey for a long while....are you still functioning?

If so, why haven't the Monthly Fact Sheets been coming in? We'd like to know what things you have planned, who been involved from the four parishes, what things are working out....successful? I do hope that there has not been any problems. If so, please inform.

I'm sure you know about the MagMoney Project....how is it going in your area? It can mean a sizable amount of revenue for the National Treasury if we can properly promote this project. Everyone should be receiving their magazines via the ACYOA...if not new, then when the renewal comes up.

Please drop me a note or call as soon as possible and fill me in. Also, please assign some one to fill out the Fact Sheets and send them in regularly. Have a happy Holiday.

Sincerely yours,

JAMES MAGARIAN
Executive Secretary-ACYOA
Diocese of the Armenian Church

P.S. Has Gary Hovhannessian been down to visit? I'm planning your chapter on my schedule for March - any problems? Let me know of a convenient date.
