Dear Harry,

Well over a month has passed since you received the financial materials of the ACYOA Armenian Studies Programs - 1982. Since we have not heard from you with any questions, we assume that all is in some form of order.

As your earliest convenience, kindly return the complete packet with all the financial materials, along with your opinion regarding the audit.

We ask this be given your attention since we are preparing the Minutes of the 1982 General Assembly, and would like to include this in the mailing to all parishes and ~~dioceses~~ chapters, along with the Minutes. We anticipate the Minutes shall be mailed out before the end of the month.

Hope all is well with you and family. Have a most blessed and joyous Christmas and may your New Year be filled with many good and happy moments.

Sincerely yours,

JAMES MAGARIAN
Executive Secretary - ACYOA
