Dear Father Houssig:

We will be most pleased to make an official visit to the parish of the St. Mary's Armenian Church of Irvington, New Jersey, on the weekend of October 9th.

We would like to have a meeting organized for Saturday evening with the Parish Council and all church organizations participating, and to which all members of the parish will be welcome.

We will celebrate the Divine Liturgy on Sunday morning, and will join you in whatever social function you may plan for that afternoon following the Badarak.

Prayerfully,

Archbishop Torkom Manoogian
Primate
