Dear Vartan and Adrina,

I want to express my appreciation for your excellent radio program, which continues to be of such great service to our community. In particular, may I thank you for promoting the Diocesan Raffle recently. It is one of our major fund-raising efforts and your radio announcement will help a great deal in making it a success.

Vartan, may I also extend my gratitude for your very helpful suggestions at the Regional meeting. Such constructive involvement is always welcome and is the greatest value of these gatherings.

With sincere thanks and best regards,

Yours sincerely,
