Your Eminence,

This year marks the fifth anniversary of the weekly Armenian radio programs broadcast over the radio station of Seton Hall University.

To celebrate this anniversary and to express our thanks to the administration of the university, a reception will be held on Friday evening May 11th, 1984 at St. Mary Armenian Church, Livingston New Jersey.

We expect a number of administrators from the university to attend the reception together with numerous Armenians from the neighboring Armenian community.

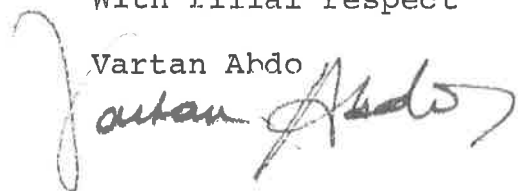

It will be an honor for us to have you with us that evening, as head of our Armenian family. We would especially like you to attend the evening and on behalf of the community present a gift. Our gift this year is a \$1,000 cash which we were able to raise through the support of our fellow Armenians.

Your Eminence, I know you have a busy schedule and I also know you will do your best to be with us.

I will appreciate hearing from you as soon as possible so that all necessary publicity and arrangements will be taken care of.

With filial respect

Vartan Abdo
