

A.C.Y.O.A.

40th Anniversary

Date 9/21/85

Your Eminence,

A. The following are my suggestions on significant ways that the 40th Anniversary of the ACYOA can be observed.

Prepare a narrated slide show
on the 40 years of the ACYOA
Obtain names and addresses of old
ACYOAs and invite them to do "Memorial"
Dinner/Dance on Saturday

Invite Canadian ACYOA Chapters to compete
they've participated in and hosted past
Wedded's.

B. Other comments,

If the clergy and parents support ACYOA,
more young adults will come.

40th Anniversary

Date 9/30/85

Your Eminence,

A. The following are my suggestions on significant ways that the 40th Anniversary of the ACYOA can be observed. since it is an important milestone for many reasons, the first being that the first Annual Assembly was convened in Philadelphia in 1947, pursuant to the Constitutional Assembly in Providence in 1946.

The first Chairman of the C.C. still resides in the Phil. area and should be given proper recognition along with all other firsts of the C.C.

The then presiding Primate, Tiran Nersoyan, should be rightfully honored for his foresight and untiring efforts in bringing to fruition a magnificent reorganization of our youth.

Our present Primate (Then Hayr Soorp), Torkom Manogian was then pastor of the host chapter of the Assembly.

B. Other comments,

Excerpts should be reprinted from the first Assembly booklet, which gives a noteworthy resume of the organization of the ACYOA.

(These are only suggestions which come to mind but may have already been considered.)

We should have some type of activity which involves members of all chapters. Also, the chapters should get together to donate funds for something worthwhile at the Diocese.
