Dear Father Oshagan:

According to the Diocese records the Diocese holds the deed for your Parish property. This means the Diocese needs to have confirmation that the property is protected by property damage (fire, etc.) and liability insurance.

The Diocesan Council has requested that we have a record of the property damage and liability insurance that you have on the property that is held in the Diocese name.

Please use the attached form to provide this information. Thank you for your cooperation.

Cordially,

John Phillips
Administrator

CC: His Eminence Archbishop Khajag Barsamian, Primate
