Dear Ms. Davitian:

We have reviewed the enclosed status report of the Treasurer with your letter of June 12, 1996 and have no objections to his recommendations, at this time.

We thank you for keeping us apprised of the progress of your building campaign and the details as they unfold.

As you continue on this path of renewal and rebuilding we pray that Our Lord continue to grant you this wisdom; patience and courage to meet every challenge before you and that we all may rejoice together on the day of the consecration of your new Sanctuary.

With prayers,

Abp. K. Barsamian
