Miss Terry Hajinian

South Milwaukee, Wisconsin 53172

Dear Terry;

On behalf of the 75th Anniversary Committee, I would like to thank you for accepting the invitation to be a member of the panel discussion on "The Armenian Church - Past, Present and Future" to be held Saturday, October 27, 1973 in the St. Mesrob Armenian Apostolic Church Hall.

The points we hope the panel will touch on are:

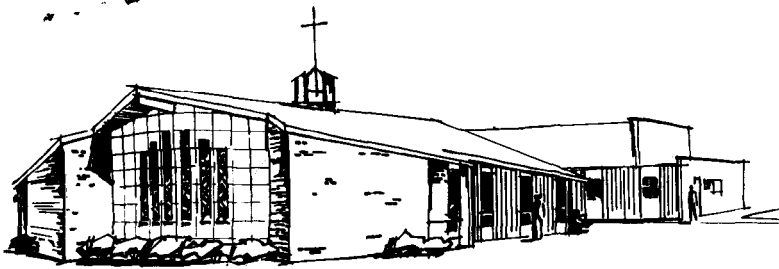

1. Why the Armenian Church for me?
2. Has the Armenian Church added any dimensions to my growth?
3. What would I like to see changed in the Armenian Church.
4. What would I not like to see changed in the Armenian Church.

We hope you will join Archbishop Torkom Manogian and the young people from Waukegan, Greenfield, South Milwaukee and Racine for breakfast at 8:30, immediately preceding the panel discussion, which will probably start about 9:15 a.m. We may break up into small groups prior to discussion to delve into areas of interest and we would hope you could assist us as discussion leaders in these small groups.

Again, we express our appreciation for your contribution in making this day a meaningful experience for our young people.

Prayerfully yours,

Very Rev. Arshag Khatchadourian
