~~In December, Christmas Seals featuring the Church of the Nativity in Bethlehem in an attractive red-and-green design were sent out. The Diocesan Calendar entitled "New World Churches II: The Armenian Church in America" was distributed, and received much praise for its beauty and keepsake value. An analysis of donor responses indicated that the largest number of donors to the Seals and to the Calendar wished their gifts to support the areas of:~~

- ~~• St. Vartan Cathedral~~
- ~~• Clergy Education and Recruitment~~
- ~~• General Diocesan Operations~~
- ~~• ACYOA~~

~~Receipts were sent to all for contributions of \$25 or more, or upon request. We wish to take this opportunity to thank the many hundreds of people from all over the U.S. and Canada for their warm and supportive response to the Christmas Seals and to the Calendar. Seal and Calendar appeals.~~
