As you know, we have no accommodation for our Father Vartan Mugharian as far as living quarters are concerned. We decided to buy a moderate priced house and we were fortunate enough to buy same for \$19,000.00 and in the neighborhood of our Church.

The Most Rev. Archbishop Mampre
Primate, Eastern Diocese of
Armenian Church of North America
630 Second Avenue
New York 16, N. Y.

Your Grace:

The Building Committee of the Long Island Armenian Church was honored to receive your letter No. 108 of August 15, 1955 and sincerely thanks your grace for the prompt solicitude with which our needs are being anticipated and met.

This Committee considered your letter in its meeting of September 7, 1955, and regretfully came to the conclusion that our community was not in a position to use the services of a parish priest as yet.

We therefore promise your grace to step up our efforts to complete the building of our new church in our Diocese, and, as soon as we are financially and otherwise ready, we will seek your revered guidance for the appointment of a priest to our parish.

Committing this matter to your benevolent attention,

We remain, my lord Archbishop, your faithful servants.
