Dear Rose:

Thank you for your letter of July 14, and were pleased to learn that you are enjoying your summer vacation at Chautauqua.

As you suggested, we are sending you two sharagans from Gomidas Vartabed which we hope both the choir and the organist will use. Also we are sending to you biographical material.

May the Lord bless you and your loved ones, always.

Prayerfully,

Archbishop Torkom Manoogian
Primate

Dear Torleone Szeged -

Excuse me for writing long hand - my writing is not always legible, but I have no access to a typewriter here - I'm spending the summer at Chautauque and enjoying it very much.

Would it be possible for you to send me some music of our church that the choir could use for singing and which could be played by the organist. Since this is still (or is it) Gomidas' anniversary perhaps some Gomidas songs with biographical material on Gomidas.

I have no firm commitment on anything, but I thought if I had the music in hand at least I could request that they include them in their offerings from time to time.

Thank you so much. I do hope this finds you in good health.

Respectfully -
Rose Abgulerian
