Dear Yeretzgin Patricia:

We have presented your request as stated in a letter dated September 20, 1996 to the Diocesan Council for their review and consideration. They have referred your requested allocation amount to the Budget Committee who is presently engaged in the preparation of the 1997 Budget.

They shall inform you of the results in due course. We continue to pray for your ministry as Chairman of the W.G.C.C. and the success of the programs you are planning in the year ahead.

With God's continued blessings on you and the members of your Council.

With prayers,
