Archbishop Khajag Barsamian, Primate  
Diocese of the Armenian Church of America

Your Grace,

As you know the Women's Guild Central Council met on Saturday, July 20, 1996 to discuss its program of activities for the coming year. We thank you for your guidance at our meetings. We have made considerable progress with a substantive program which we feel will make a contribution to the spiritual and educational growth of the Women's Guilds of our Diocesan parishes.

We thank the Diocesan Assembly for its financial support this last year. The implementation of our activities relies on the funds received from the Diocesan budget, which I understand is currently under preparation for the coming year.

Thus, on behalf of the WGCC, I would like to request a total allocation of \$5,000 for 1997 to assist us in carrying out our expanded agenda. From the comments and evaluations we received from the delegates at our Assembly we have concluded that more conferences, retreats, and special programs are needed and expected.

We hope to receive a favorable reply to our request, and I am at your disposal should further clarification be needed. Thank you for your support.

Respectfully,

*Yeretzgin Patricia Buttero*
