The Women's Guild Central Council is always looking for ways to improve the programs which we have suggested to our Guilds. We also want to make the program more interesting to greater numbers of our members.

Over the years we have received comments and suggestions regarding the Women Saints Day Program which takes place during the Lenten Season. With this memo we are requesting that each Guild put the subject of Women Saints Day on their September meeting agenda. At that time everyone present will have an opportunity to make suggestions on how the program for that day might be improved. We feel that by getting input from each Guild we, the WGCC, can be better equipped to assist the Guilds and make positive suggestions and changes where necessary.

All comments and suggestions should be sent to the Women Saints Day Reevaluation Committee in writing. Your comments should be mailed to Mrs. Araxy Gokberk, 207 - 6th Avenue, Asbury Park, NJ 07712.

We should receive your suggestions by October 1, 1996.

Thank you for your cooperation.
