

His Eminence  
Archbishop Torkom Manougian, Primate  
Diocese of the Armenian Church  
of America, New York, N. Y.

April 8, 1976

Sergazan Hayr,

In response to your letter dated April 2, 1976  
I wish to state that I have no additional  
comment or explanation on the matter you make  
reference to, other than what I have orally  
communicated both to you on March 16, 1976 in the  
presence of Rev. Arnak Kasparian and my wife,  
and to Rev. Dajad Davidian over the telephone.  
I think my explanation was satisfactory to your  
Eminence. I hope the Diocesan Council will also  
find it so and consider the matter closed.

Prayerfully  
Fr. V. Kalayjian
