## COMMENTS FROM 1988

- Marc Janigian, Providence, RI  
*"As a result of the weekends, I feel much more knowledgeable and aware of Armenian issues, religion, history and culture. I not only feel proud to be Armenian, but also feel compelled to inspire and inform others of what I have learned."*

---
- Pam Hajinian, Springfield, PA  
*"Unlike some of today's Armenian cultural endeavors, which tend to concentrate effort on fueling the emotions rather than addressing present-day concerns, the approach of the ACYOA Cultural Weekend appeals to the intellect without neglecting the heart."*

---
- Margarite Davidian, Cleveland, OH  
*"It wasn't just the lectures that were so interesting. What made this such a rewarding experience were the open, honest and straight forward discussions and the dialogue among the participants."*
