HERITAGE TRAIL

Guide Map

The Heritage Trail is a self-guided tour of New York's lower Manhattan area. The trail links the sites of important historic events associated with America's heritage. At each site a commemorative marker displays detailed written and pictorial information.

The Heritage Trail symbol is displayed at points on the trail that enable it to be followed by moving from symbol to symbol.

The numbers on the trail identify individual site locations.

Historic sites and their identifying numbers.

- 1 Civic Center
