

Dear Mr. Kermian,

I would like you to know that the Bookstore is "on dot" regarding orders, & answering letters. In other words, ~~at~~ what has to do with customers we are not booked-up.

I called Mrs. Veronica Goodwin who kindly told me that she will wait for another call ~~top~~, since we must assume that the 1st one was lost. (I wonder what she would have done if she didn't receive ~~the~~ ^{our} notice for ~~and~~-payment!!)

~~The key~~ All bills were signed ^{by you} & given to Bill for payment. I also pretty much emptied my ~~the~~ cash box & gave it to Bill for deposit.

~~The key~~ Now will give you the keys of the bookstore, including the cash box key.

Please do not let anyone in the Bookstore unless they have to ~~do~~ pick up something which must be accompanied by a note.

Mitchel Malion sent me a package with printed Jobic - is on the floor behind my chair. →

I called him to discuss the purpose of
it & so on but he didn't call back
for 2 days. The fabrics are quite yucky
but I want to hear what he has to say.

Thank you again for all you did
for us. (Don't worry. I have a feeling
it will be paid back in over time
during the year 😊!)

Yours truly
Katho & Mary

Dear Mr. Kermian,

I called Mrs. Veronica Garobedian who kindly told me that she will wait for another call ~~top~~, since we must assume that the 1st one was lost. (I wonder what she would have done if she didn't receive ~~the~~ ^{our} notice for ~~and~~ ^{delayed} payment!!)

Dear Avedis,

Thank you for your note of June 16, and the material you sent me earlier on the Rightist brethren, which is quite informative.

So far I have not been successful in trying to get an address for Tankian Publishing Corp. I shall continue looking. I am sure reprinting Toynbee's book will find a definite demand and I hope you can do it.

Yes, I would like to buy from you the Musa Dagh, whenever you have a chance to stop by.

Best regards,

Michael M. Kermian

RECEIVED JUN 16 1984

Dear Mr Kermian -

Hope you received the material I sent on the 11th (May) on the disruptive brethren and the accompanying letter, the carbon of which I inclose.

I'll have to have the info requested in the second paragraph. If there is anyone else to write to please let me know. Quite urgent.

After six months' search a few more Musa Dagh's came in, including just ONE first edition which you requested when we met at the bookstore. The fellow raised the price by \$1.50, and you can have it at one \$ over my cost -- or \$15. Will save you postage next time I come down to the bookstore.

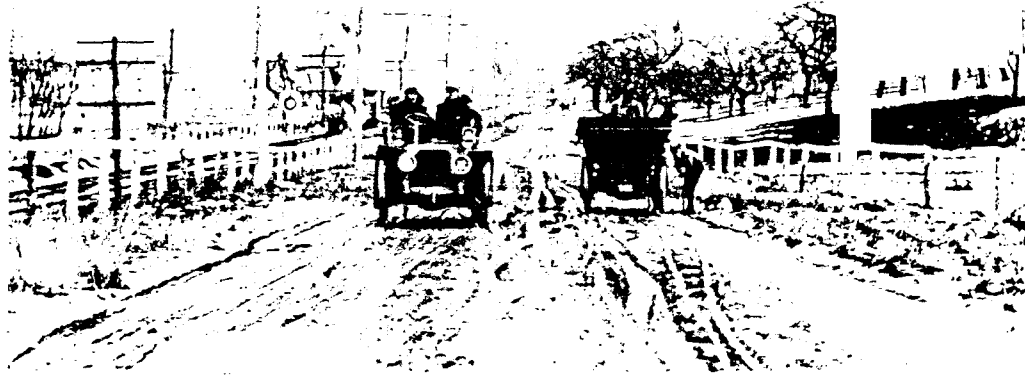

Would you be interested in a copy of the report I was asked to write on the group, and the modus operandi, which staged the Paris Tribunal

Sincerely,

A.A.
