Dear Annyan Hayr:

I trust this letter will find you well.

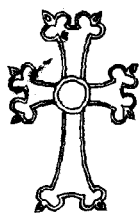

I do realize your time is both limited, and valuable. Especially, with essential responsibilities of the Armenian Church, meantime the activity for the Earthquake vicinities, in Soviet Armenia.

This is a credible major step, on your part, to attain results for the right goal.

However, do hope you received the list of Committee women of N.Y. Holy Cross Ladies Guild; I recently sent.

As previously explained, feel these Committees <sup>members</sup> deserve respect for their dedication and service to N.Y. Holy Cross Church, through the 60 years; by receiving a City/State possibly by "The Armenian House of America, with their names with the honor of your signature, to be given to them, Sunday, September 24, 1989, Ladies Guild 60th Anniversary luncheon.

Do hope <sup>you</sup> agree with this planned celebration? Thank
