

PRIMATE'S MESSAGE

Our history is full of high personages who in their time built churches and other philanthropic institutions for the glory of God and for our nation. These institutions, many of which are still functioning today, have been centers of spiritual and intellectual inspiration for the Armenian people.

This attribute has never ceased amongst us. We have great benefactors who even today, are fulfilling their active roles as keepers of the eternal flame which is our faith and our culture.

Mr. and Mrs. Edward and Helen Mardigian, with their great kindness and vision, are truly representatives of those glorious benefactors.

God granted them the material wealth; uniting this with their unflinching faith, they were able to enlighten and enrich the lives of others. We have many examples by which this generous couple have helped to spread **THE GOOD NEWS** of our Lord, Jesus Christ, and to insure workers in the arbor of our church. The Mardigian Institute is one of the best examples of this generosity and vision.

We ask God that He grant long life and good health to this wonderful couple. Their noble character is worthy of our praise and our gratefulness. May God bless them and their loved ones with His wisdom and His strength.

Prayerfully,

Archbishop Torkom Manoogian
Primate
