CASE NO. CV186-1105DR

DECREE OF DISSOLUTION OF MARRIAGE

Comes the Petitioner, CARLA S. BREWER, in person and by attorney, Melvin D. Benitz; Respondent having previously filed his entry of appearance more than thirty (30) days prior to this hearing, the Petitioner announces ready for trial. Whereupon this cause coming on regularly for hearing and being called, Petitioner submits the cause to the Court upon the pleadings and proof, and the Court, after hearing the evidence, finds that the Petitioner and Respondent have been residents of the State of Missouri for more than ninety (90) days next preceding the commencement of this action and that thirty (30) days have elapsed since the filing of the petition and entry of appearance; there is no reasonable likelihood that the marriage of the parties can be preserved, and, therefore, the marriage is irretrievably broken.

That to the extent that this Court has jurisdiction, it has considered provision for child custody, support of any child entitled to

support, maintenance of either spouse and the disposition of property as provided by law.

That there were no children born of the marriage; that the Petitioner is not now pregnant; that neither party is a member of the Armed Services of the United States; the Court further finds that the parties are possessed of marital property which has been divided between the parties.

The Court further finds the Marital Settlement Agreement entered into by the parties and attached hereto as Petitioner's Exhibit I, not to be unconscionable and that the same is incorporated into this Decree by reference.

IT IS THEREFORE, ORDERED, ADJUDGED AND DECREED that the marriage of parties be and is dissolved; that neither party shall have maintenance from the other.

The Court further orders that the Property Settlement Agreement shall be incorporated into this Decree of Dissolution by reference as though fully set forth herein and the parties are ordered to perform the terms thereof. Costs of this action are taxed to Petitioner.
