Dear Friends,

We have reached a point in our Fund Drive in which your cooperation and participation are vital. We have made phone calls, visits to homes, written letters to you directly, made appeals to you through the church monthly and personal appeals at Parish Assembly meetings. We have tried to answer and clarify your questions adequately. We have carried the "ball" to you, now it's up to you to catch the "ball" and make a score.

The best way to score is to pledge. And, while pledging, to keep two things in mind: One is to Raise Your Standard Of Giving and the other is to make your pledge NOW. Every month of delay means higher construction costs.

In the Parish Assembly meetings you have made it clear that you want a place to worship that you can call your own. The only way you can have this is to back it up with money -- your pledges. There is no other way.

This is a personal appeal to you to act now. Please respond by pledging. And those who have pledged, please make every effort to mail us your checks.

Sincerely,

Hrant Norsigian
Finance Committee Chairman
