Wm. H. Lawrence,

Got the letter and sent it to your daughter. She
has been very kind and helpful. She has been
very kind and helpful. She has been very kind and helpful.

Dear Reverend Kasparian:

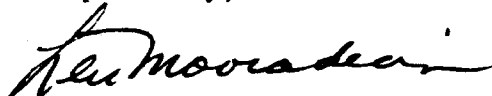

After your visit to our Parish, the Parish Council held a meeting with regard to your reassignment to our Parish for an indefinite period. The results of that meeting are as follows:

1. The Parish Council feels that the Parish can handle the financial aspects of a permanent priest for our Parish. As discussed, these would be in accordance with the guide lines set up by the Clergy Stipend Committee.
2. The Parish Council also feels that your background and acknowledged need to be involved with people is what our Parish needs at this point, and that you would fill our need for a Parish Pastor in every sense of the definition of the term.

We enjoyed your visit to our Parish and hope your decision is to relocate to the Belleville Parish.

A second copy of this letter is attached for your convenience that can be used for you to sign and forward to the Primate. Please excuse this letter not being on our church letterhead as I am writing this from my office and did not want to delay it any longer.

Respectfully,

L. L. Mooradian
Parish Council Chairman
