Holy Shoghagat
Armenian Church

Dear Srpazan Hayr:

Could you please answer the following questions some-time this weekend?

1. Are the dates of August 26 and 27 open for the consecration? That will be the Final Date.
2. Could you please write a letter to the Catholicos and ask him to write a letter to Holy Shoghagat congratulating them on the consecration? We would need this very soon for the Consecration booklet.
3. Pictures of you and Catholicos. Black and White glossy.
4. If we can find no one for the intermediary honor of godperson of the Bema, can that be done away with? (I still don't find that in the service.

Thank you.
