Dear Brothers and Sisters in Christ:

This year, marking the Tenth Anniversary of Chicago's St. Gregory parish, is an event to be revered. A decade, a short decade, has already passed since the erection and anointing of these hallowed walls.

It is important to recall the consecration and dedication of the church complex; but also, and even more important, it is essential to recall and renew the dedication of our souls to God and His work. The event of erecting a church building begins and is culminated by anointing, but our personal dedication to God **never** ends. If we look back on the last ten years, we can see that there have been "stormy" days and there have been "sunny" days. To endure measures the degree of our dedication, and to cherish that which is good measures our awareness of God's benevolence.

St. Gregory's has walked a thorny path and will continue to do so--as all parishes do. Through our dedication to our church and to our Armenian heritage, St. Gregory's will continue on her mission journey in spite of hard times and struggle. As God breathed life into Adam, let St. Gregory's parishioners continue to breathe life into the work of this parish.

Prayerfully,

Deacon Michael Ohanesian,
Deacon-in-charge

*A Welcome Message From
The Parish Council Chairman*

On behalf of the Parish Council, I welcome you to the celebration of the Tenth Anniversary Consecration of St. Gregory the Illuminator Armenian Church.

During this most joyous commemoration, it is our hope that you will look back on the ten years which have elapsed since the erection, consecration and dedication of the St. Gregory with happy memories. In looking back, we see that we have had to struggle, but as so very characteristic of Armenians we have survived withstanding many an obstacle and hardship along the way..

Our beloved pastor, the late Rev. Sarkis Kashikjian was taken from us after serving our parish for six dedicated years. Once again our community was without spiritual leadership, but as always, the faithful remained steadfast beseeching the Lord to guide and protect us in our Christian faith and proud heritage.

On this most solemn occasion, we give thanks to the Lord who has always kept a watchful eye over the members of his Church. He has been gracious to us in that he has given us children; And our children--children. Now is the time to look to the future. The next ten years. The future is in the hands of our children. Let us pray that the Lord will strengthen their hearts and minds.

We are both happy and proud that you were able to join us during this weekend's festivities and hope you will enjoy continued growth through Christian fellowship.

Nishan Babikian,
Chairman

Acknowledgement ...

It was our personal hope that our souvenir booklet would be a great success. The response has been overwhelming and gratifying.

To the many advertisers and friends who subscribed in this booklet, we extend our heartfelt thanks. May your generous spirit and interest in St. Gregory the Illuminator Armenian Church continue and be a rewarding experience.

Without everyone's help, it would have been impossible to accomplish a successful 10th Anniversary Celebration.

We respectfully request that our members and their friends kindly remember all advertisers and patronize them.
