Dear Mr. Babikian:

We have made plans to have Jack Antreassian visit our various parishes in the next few months as our personal representative. It is our intention to have him spend a day in each community, meet with the parish councils and executives of various church organizations and discuss with them any matters of mutual concern, from administration to programs and activities.

We have enclosed a schedule of visits to the midwest.

Please write us immediately acknowledging these dates so that specific plans can be made.

Prayerfully,

Archbishop Yerkom Manoogian
Primate

The Reverend Sarkis Kashikjian
Pastor
President of Parish Council
St. Gregory the Illuminator Armenian Church
6700 West Diversey Avenue
Chicago, Illinois 60635

Dear Father Sarkis:

We hope that plans for your celebration of the Primate's Jubilee are being developed and that plans are going ahead for your May 14 date. We would appreciate it if you would keep us apprised.

Meanwhile, there is some information we want to communicate to you.

The Primate will celebrate the Divine Liturgy on the morning of the Jubilee day, and offer the sermon.

We urge that there be no Badarak in the other churches in the area, though they may remain open for prayers with a deacon left in charge. It would be most appropriate if all our clergy in the area could participate in the Jubilee Liturgy.

We will be publishing a special book dedicated to the Primate. It will be a beautiful publication and very costly. We are fortunate that much of the costs will be donated. Still, it will be necessary to sell the book at a \$1.00 a copy. Please let us know how many of the books you will require.
