

Mr. G. Guldalian
4515 N. Monitor Ave
Chicago, Ill.

Dear Mr. Guldalian:

While visiting the Prelacy today I learned that no definite information has been received by the Prelacy concerning the possibility of transferring the legal title of the church property to the local Board of Trustees.

You remember you kindly promised to use your good offices with the Donian family in transferring the property to the local Board of Trustees. I do not wish to reiterate the many advantages to the local congregation and the resulting increase in the prestige of the Donian family if such transfer is made at this time.

I wish you would give the matter some thought and make some effort along that line.

My sincere good wishes for a Merry Christmas to you and your family and awaiting an early reply, I remain

Cordially yours,

Dicran Simsarian

Dear Mr. Baklaian:

On the occasion of our visit to your Parish during the Holy Week, we became acquainted with the internal problems of your parish. Considering the seriousness of the situation, we thought a change might be beneficial. Consequently Rev. Neress Baboerian will be transferred to his new assignment by the end of May, therefore, we hereby designate Rev. Fr. Arsen Barsamian of Waukegan to be your visiting clergy, who will also perform Holy Badarak and deliver sermon once a month.

We advise you to consult with Rev. Arsen Barsamian as well as the Parish Council of St. George church of Waukegan in connection with the necessary arrangements.

With paternal blessings,

Mr. Armand S Donian

Dear Mr. Donian:

We were happy to hear that the reconstruction work on the St. Gregory the Illuminator Church has been completed and services are about to be resumed. Plans have been made to hold the first services on Sunday February 8, 1948 at which time I shall be officiating in the newly renovated Church. I think also, that if you so desire, we should have a memorial service for the souls of your parents, who have made possible for us to have a church in Chicago.

I thought this would be an appropriate time to prepare whatever legal documents are necessary in order to transfer the legal title to the church from the present committee to the Prelacy of the Armenian Apostolic Church in America, a religious corporate organization under the laws of the state of New York with its principal offices at the above address.

If possible I would like to have your transfer documents prepared and forward to us the proposed deed or instruments so that we may be prepared to consummate the transaction on my visit to Chicago on February 8, 1948.

I hope this letter finds you and your sisters in good health.

With paternal blessings
and prayers

Re: Diocesan Loan & Grant Fund

We have been advised by the Diocesan Loan & Grant Fund Committee to return to you the Promissory Note, as it is not in accordance with the resolution of the Trustees of the Loan and Grant Fund, because on the reverse side the individual endorsers have not put their signatures and the amount of liability assumed by each.

Enclosed, please find a new Promissory Note which shall be signed, not only by the Parish Council, but to have individuals of your Parish signed their names and next to their names to indicate the liability assumed by each of them.

Dear Archbishop Sion:

We, the Parish Council of St. Gregory the Illuminator Armenian Church, received the letter from the Loan and Grant Committee declining us the loan of ten thousand dollars because of the scarcity of funds. Consequently, we feel that a refusal of this loan will endanger the progress in the building of our church.

The Parish Council humbly requests that any amount will suffice our needs at this very vital and crucial moment in the construction of our new church.

We will anticipate your reply on this most urgent matter.

We received the enclosed legal papers from our attorney, Mr. Martin Yasmajian. You will find same fully executed as requested by you.

We would like to call your attention to the important fact that our corporate name was changed on November 22, 1949 from the Prelacy of the Armenian Apostolic Church of America to the Diocese of the Armenian Church of America.

As we only have the Diocesan Corporate seal and not the former name we have affixed the said seal where indicated. But in our judgement the name of the Prelacy of the Armenian Apostolic Church of America should be changed to conform with the corporate seal or you may change as required in the state of Illinois.

We trust that you find the papers in order. Should any important change be necessary, please advise our attorney or our office.

You are well aware of the fact that four of the eight of our churches in the Mid West will be without a parish priest in the near future. Those parishes are: East St. Louis, West Allis, Racine and West Pullman.

In order to fulfill the spiritual needs of these parishes, we expect that the parish priests of Waukegan and South Milwaukee and Fr. Krikor Hairabedian take certain responsibilities.

We direct these parish priests to have a consultation with Fr. Dajad Davidian and prepare a schedule of visitation for the parishes without any priest. The Very Rev. Vasken Tatoyan has been appointed to be responsible for the schedule. In case of any change in this schedule, the priests involved shall inform Fr. Tatoyan.

We expect to receive this schedule by September 10, 1969, so that we may be able to inform the respective parishes for necessary arrangements before we leave for Etchmiadzin.

Dear Father Sarkis:

We are planning our 1972 Regional Meetings well in advance in order to emphasize the increasing importance we associate with them. We want to make certain that our parish council members and delegates have sufficient notice of the meetings we ourselves, Primate and Diocesan Council members, may be able to plan and prepare to attend.

We expect to communicate directly with all involved, prepare and distribute copies of the agenda, and otherwise work for productive meetings. But the first step is the arrangement of the schedule and the consent of the host parish. We have enclosed the schedule which restricts the meetings to a limited period, enabling us to contact all our parishes with as little variance in time as possible. Also indicated are the host parishes, of which yours is one.

We urge that you make every effort to accept this schedule, since making any change would involve several areas. We hope also that you will agree to serve as the host parish for your region.

Please let us hear from you at your earliest convenience.

His Eminence would appreciate it if you could send us these names together with their addresses, so that we may be able to follow up.

Can I look forward to hearing from you soon?

Also, no remittance has yet been received to settle the outstanding obligation of your parish for this year. You indicated on the phone that an effort would be made to remit most of the balance due. Please look into this now, since only a few days remain before we close our books.

Best wishes.

Dear Dr. Kelikian:

We have recently heard from His Holiness, Catholicos Vasken I.

He has noted your offer of an operating table, and has asked us to communicate to you a special request.

They are apparently in urgent need of three sets of eye, ear, nose instruments for examination and operation. One of the sets is for the infirmary of Etchmiadzin, and two for the hospital in Etchmiadzin city.

We hope to talk to you directly about this.

Dear Deacon Michael:

Deacons of our Church, assigned by the Primate to parishes or other substantial responsibilities, have been invited to attend our Diocesan Assembly in New York this year.

Stephan Hayr wishes to qualify this, however, by informing you that you will not have the privilege of voting at these sessions, as per our by-laws, though you will be given equal voice with all delegates.

We look forward to seeing you at the Assembly.

Miss Lili Chookasian will be on an extended concert tour in the near future, in the course of which a concert will be scheduled in your area. We have listed below details of her appearance in your area:

Chicago, Illinois: September 30, October 4, 7, 10, 12, 15,
18, 23, 26, 28, November 6.

We are sure that many of our people in your parish would be interested in knowing about this. We ask therefore that you make appropriate note of this, in your church paper, on your bulletin board and in whatever ways it is possible to bring this to public attention.

Miss Chookasian is one of our finest artists, a star of the Metropolitan Opera Company, and an opportunity to hear her should not be missed.

We have since been apprised of the schedule of the NCC meetings and find that sessions and activities will occupy virtually all the time, and make it impossible for the Primate to participate in any other events.

In the circumstances we ask that you please disregard our February 3 request. We regret any inconvenience you may have been caused.

Your Excellency:

As you are aware, the Parish of St. Gregory The Illuminator is without clergy.

With the Lenten season quickly drawing near the time of jubilation, we are in need of spiritual experience. We therefore are seeking your help in securing a clergy for our parish during Passion Week, beginning with Palm Sunday.

It is our understanding that Father Ari is only available beginning Good Friday. We will be grateful for whatever arrangements can be made.

Please inform us at the earliest possible date as to what we can expect. I realize that this letter is somewhat late in arriving to you, however I am hopeful that you will do all you can for the Parish of St. Gregory.

The Parish Council of St. Gregory the Illuminator
Armenian Church wishes to reiterate its posture on
the possibility of the assignment of Father Baboorian
to the Chicago Parish.

The Congregation of St. Gregory strongly opposes this
proposed re-assignment as we did not have a good
working relationship with Father Baboorian when he
served as our parish priest in 1960 and 1961.

We do not feel that Father Baboorian can best serve
the needs of this parish and we are distressed at
the mere suggestion. To imply that this is our
parishes only choice of parish priest, saddens us
greatly.

We are hopeful that His Eminence, in his great counsel,
will find a suitable solution.

Dear Mr. Babikian:

We have received your letter of July 2, and there is apparently some confusion of intention.

We have not assigned Father Nerses Baboorian as pastor of the St. Gregory Church of Chicago; he has not been appointed your parish priest.

Father Nerses has been moved to the Chicago-Evanston area, and in all likelihood and for a time at least, will reside in Ouzounian House. While in the area, he will be under the immediate jurisdiction of Father Varoujan, who will assign him to celebrate the Divine Liturgy wherever he deems necessary in our churches in the region.

This will, we feel, fill an important need, while it will not of course resolve the matter of a permanent parish priest for those churches which are presently without one.

Your Excellency:

In response to your letter of July 11, 1975 regarding Father Nerses Baboorian, there has not been any misunderstanding of the Diocese's intention on the part of the Parish Council of St. Gregory.

As evidenced in a special joint meeting of the various organizations of St. Gregory, called to address this concern, it was unanimously agreed that Father Baboorian's services as a visiting clergy were not desired. The specific motion was as follows:

George Nahabedian moved that a letter be written to the Diocese stating the wishes of the organizations that Father Baboorian not be accepted as a visiting clergy.

Mrs. Alice (Goldie) Geroge seconded the motion. The motion carried 34-0.

We had hoped to have made our posture clear in our July 2nd letter in which we stated we did not wish to have Father Baboorian as a parish priest. We expound upon this statement at this time to reflect that our parish does not wish the services of Father Baboorian as even a visiting clergy. We trust that the Diocese now has a clear understanding of the desires of this parish.

Dear Mr. Babikian:

His Eminence the Primate directed me to bring to your attention the following three items which he had noted reading the minutes of your recent Parish Assembly.

Father Varoujan is referred to the Very Rt. Reverend Varoujan Kabardjian. There is no ~~soh~~ title. He should properly be called the Very Reverend Varoujan Kabaradjian.

The Auditing Committee's term is for one year, with each Parish Assembly electing the committee annually.

Finally and most important is the reference to the Byloz Will and the comment that it had been decided not to pay your parish assessment until it had received an adjusted statement which involved the Byloz Estate.

Assessments are set by the Diocesan Assembly and cannot be tied to any other factors or circumstances, least of all the Byloz Estate which is not a Diocesan matter, but placed under the administration of the Primate directly, with certain conditions. The Chicago parish is aware of these conditions, and has been apprized of any new circumstances that may affect its interest in the estate.

Meanwhile, it must be asserted that it does not and cannot have any bearing whatever on assessment, and the Parish Assembly is not empowered to even consider the withholding of assessment payments, for any reason.

Sincerely,

Jack Antreassian

Your Eminence:

As you are aware, the Parish Council of St. Gregory the Illuminator Armenian Church of Chicago has been attempting to secure the services of a priest for this coming year. Five and a half years has been an extremely long time to be without spiritual leadership and guidance. No other parish in the diocese, with the exception of the parishes in Illinois and Wisconsin, have been without spiritual leadership as long as St. Gregory. In fact, two of the parishes have two priests. This is extremely unfair, unjust and not christian.

I have written to three priests and investigated others who we feel would be a real asset to the Armenians of Chicago. An area that has been neglected for years. This has been to no avail. In fact, Thursday evening, July 28, I had the pleasure of speaking with the Very Reverend Houssig Bagdassian, whom we had invited to celebrate Divine Liturgy on Sunday, August 14, which is also the day of our Annual Picnic. Father Houssig has another committment and is sending the Very Rev. Haigazoon Melkonian to celebrate the liturgy on that day. If we were interested in Father Haigazoon, we would have invited him to celebrate Badarak after you had given him the permission to perform the sacraments and services under the jurisdiction of the Diocese of the Armenian Church of America. But, seeing that we were put in this position, the parishioners will welcome him as we have welcomed other clergy.

In my conversation with Father Houssig, I was led to believe that there is a possibility of the St. Gregory parish having a permanent priest in September of 1977. If this is true, the Parish Council feels strongly that we should be involved in the decision making process. We do want to be involved, so that what has occurred in the past, will not happen again.

Hoping to hear from you in the near future, I remain

Sincerely yours

George M. Nahabedian

Your Eminence:

As you are aware, this past weekend the parishioners and parish council of St. Gregory the Illuminator Armenian Church of Chicago had the pleasure of entertaining the Very Reverend Jirair Tashjian of Milan, Italy. On Monday evening, the parish council offered Hayr Jirair the opportunity to become our parish priest; a position to which he gratefully accepted. His acceptance, as you are aware, is subject to this release from the Archbishop of Paris and assignment by you.

In our conversation, we decided that both Hayr Jirair and I write you and formally request his assignment to the St. Gregory parish. Your Eminence, therefore, on behalf of the parishioners and parish council of St. Gregory the Illuminator Armenian Church of Chicago formally request that you appoint the Very Reverend Jirair Tashjian our parish priest.

Hayr Jirair is leaving the United States on September 22 to return to Milan, Italy. Father Tashjian will remain in Milan for approximately two weeks, after which he will return to the United States and hopefully, Chicago, Illinois.

Hoping to hear from you in the very near future.

Dear Parishioners:

The Parish Council of St. Gregory the Illuminator Armenian Church of Chicago is extremely pleased and proud to announce the appointment of the Very Reverend Jirair Tashjian as their parish priest.

The past five years have been very difficult years for the parish. Though we have prospered socially and financially, the spiritual life in the parish has floundered.

Hayr Jirair has returned to our Diocese after serving the Armenian Church in Milan, Italy. He had previously been the parish priest of Holy Trinity Armenian Church of Toronto, Ontario, Canada. Hayr Jirair celebrated his first liturgy at St. Gregory's on Sunday, November 20. To no one's surprise, his service was impressive and breathtaking. Through his reverence and guidance, Hayr Jirair will bring back the spiritual and cultural leadership that the parish has lost due to the lack of the shepherd to lead his flock.

The Parish Council would like to thank the Very Reverend Varoujan Dz.V. Kabaradjian for his assistance during the past five years. We would also like to thank the many other clergymen throughout the diocese who served our parish on the feast days.

The Parish Council cordially invites each and everyone to attend church services on a regular basis so that they, too, can renew their faith in the Lord, Jesus Christ.

Sincerely,

George M. Nahabedian
