His Eminence
Archbishop Torkom Manoogian
630 Second Avenue
New York City, New York 10016

Eminence:

While I was on vacation our Parish Council had its regular meeting on August 31, 1977, and discussed your visitation date of June 11th. Council felt that the months of June, July and August are not as well attended as other months of the year. Council would appreciate a reconsideration of your visitation date in 1978. The suggestion of Spring or Fall was mentioned, that is, if it is convenient for Your Eminence.

Our next Parish Council meeting will be Wednesday, October 12, 1977.

Please inform us of your decision.

Your servant in Christ,

Dear Mr. Krikorian:

I am awfully sorry about the confusion. I'm glad we were able to work it out. Thank you for your patience.

Here is the gift agreement I promised I would send you. We thank you again for your generous gift, for it is through people such as yourself that the collection here is continually enriched and expanded.

Thank you again.

Sincerely,
