Dear Hays Koussig:

Enclosed is the form for tax exemption for the Port Crane Property which was donated to the Church and is of course in the name of the Diocese.

We have filled in all the information that we are able on a local level. Please note that I have marked in "red" those questions which the Diocese must answer. As for example 4A asks for the date of acquisition, since the Diocese holds the deed, we do not have access to that information, also since the Diocese owns the property we don't know the answer to query 9 A-D.

When the Diocese has completed the form, please mail it back to

Town of Lenton
Broome County
Port Crane, N.Y. 13833

If we may be of help in any other
way, please call us.

Peace,
Kevork Kabana Arakelian
Pastor

P.S. I have obtained an extension of time
as it was due in today.
