

ARMENIAN APOSTOLIC CHURCH OF CLEVELAND

The Parish Council and Building Committee express sincere appreciation to all who have donated money, equipment, supplies, time and effort toward our church parish hall.

The following is a list of those who have made non-monetary donations toward our building through March 31, 1959.

There have been so many who have helped physically, it is virtually impossible to mention them all. But to these persons, we extend a hearty thank you!

If there are any errors or omissions on this list, please bring them to the attention of the Parish Council or Building Committee, and the matter will be promptly checked and corrected. Any future contributions should also be brought to our attention.
