Despite distance difficulties the response for the children's Armenian Language class has been very gratifying. Registration is still open for all those who have not registered, until November 12. Bring your child to the Armenian Language classes and give him the opportunity of learning Armenian along with the songs and history of his forefathers, which you may not have had in your youth. Every Armenian parent should feel a responsibility for the education of his children along these lines. Do not deprive your child of such a unique opportunity.

FOUNDATION BLESSING AND CORNERSTONE
LAYING CEREMONIES

The Primate of the Armenian Church of North America, H. E. Archbishop Sion Manoogian will perform and officiate at the Foundation Blessing and Cornerstone Laying ceremonies of the Armenian Church building of Cleveland, on the invitation of the Parish Council and the Building Committee.

The ceremonies will take place on the 25th of November, 1962, at 10:30 a.m. on the church sight.

According to tradition, 16 godfathers are needed for the 16 foundation stones of the church - 11 Apostles, 4 Evangelists, and St. Gregory the Enlightener. All those who wish to be godfathers on this memorable occasion, please contact Deacon Nersess at 381-6590, not later than Tuesday, November 20.

After the ceremonies, there will be a banquet at the Church Hall in honor of the Primate.

It is noteworthy to mention at this time that a scroll will go into the cornerstone of the Church building, for posterity's sake, with the names of the donors to the Building Fund. If you have not made your pledge as of today or wish to add on your pledge, contact any member of the Building Committee before the 20th of November.

More details about this memorable event will follow later.

Now that we, the ACYOA members, are fully recuperated from that "swinging" weekend in Detroit over Labor Day weekend, we have really started to work.

First on our list of projects is the continuation of the regular monthly cultural programs initiated last year. Then on the lighter side comes the New Year's Eve Ball. It is to be held at Shaker-Lee Hall on New Year's Eve, of course! You'll get all the details on, what will be the biggest and sharpest affair Cleveland has ever had, later. You won't want to miss it for the world!! So start looking for baby-sitters now.

The membership Drive has started and we urge all from 14 to...to join our small-in-quantity but large-in-quality Chapter. Other activities on the agenda are the Retreat, during Lent, ACYOA Day, concert and theatre parties, The Anniversary Ball (January 26 in Detroit) and a host of other things to satisfy all kinds of people.
