THE GOVERNOR

The Very Rev. Zaven Arzoumanian
Pastor, Holy Trinity Armenian
Church of Philadelphia

Dear Father Arzoumanian:

My good friend George Mooradian has brought to my attention your very kind letter concerning the fiftieth anniversary of martyrdom by Armenians for the sake of the Christian faith.

In commemoration of the sacrifices of these brave men, women and children, I will be pleased to issue a proclamation, according to your request. This can be signed at a ceremony in my Reception Room sometime in April.

I will have Mrs. Jean Morgan in my office inform George Mooradian as soon as a date for the signing is available, and he will be in touch with you to make the necessary arrangements.

Thank you very much for your letter and for your efforts to emphasize the need for human understanding and world peace through the observance of this time of sorrow in the history of the Armenian people.

With every good wish,

Sincerely yours,

William W. Scranton
