

At this joyous banquet, the parish of Holy Trinity Church has decided to present two St. Vartan Awards, to honor those children of God who have demonstrated through the years that they are good stewards. This year, two individuals have been singled out for the highest honor a parish can bestow on a member. These wonderful stewards of God are: Akaby Bournazian and _____ Antaramian (???). Mrs. Bournazian has served her Church in many capacities. She is an exemplary chairman (???) . . .

They have set an example for every parish throughout our Diocese. They are singled out to receive the St. Vartan Award because through the years they have given ample proof of their dedication and have been in the service of the Church for several decades. We pray to God that He will have mercy on both those who build sanctuaries and are benefactors, and those who serve the Church as inspired Christians. God will not forget them and they shall receive for their reward the divine gift of life eternal.

May God bless them as He blessed the Patriarchs of old, and may they see their children, their grandchildren, and their great-grandchildren grow and live in peace.
