Mr. Harry Kasparian
Chairman, Parish Council
St. Gregory the Illuminator
Armenian Apostolic Church

Haverhill, Mass. 01830

Dear Mr. Kasparian:

The Diocesan Council considered your letter of January 18, at its recent session, and decided to give some special consideration to the difficulties facing your parish at the present time.

The Council determined, therefore, to reduce your assessment obligation in 1975 from \$3,750.00 to \$3,000.00, which was the amount of your parish's assessment in 1974.

We hope this will ease your burden sufficiently, and that you will maintain a schedule of regular remittances to the Diocese.

Prayerfully,

Archbishop Torkom Manoogian
Primate

His Grace:

The assessment for our parish has been increased for 1975. As you know we have not yet completed payments on our 1974 assessment. With the added problems we have facing us in 1975, we are requesting a reduction be made in our current assessment.

Prayerfully,

Harry Kasparian
