Your Grace,

In regards to our recent Parish Assembly and Parish Council elections I would like to personally request that Your Grace give approval to our electec officials so that we may be able to efficiently continue our preparations for the Annual Diocesan Assembly. Although we have reduced the number of Parish Council members out of necessity since that was the only number of candidates we could get to accept the position, nevertheless, those newly elected officials seem to be interested, capable and dedicated. I pray that with God's help my first impressions will prove to be accurate. Each of these new members come from well established families with histories of service. I thank Your Grace once again.

Your servant,

Fr. Haigazoun Melkonian
Pastor
