Subject: 1978 Parish Assessment-St. Gregory the Illuminator Armenian Apostolic Church, Haverhill, Mass.

Dear Sir:

We wish to settle our 1978 Parish assessment obligation to the Diocese. Our records indicate that our Parish has been over-assessed by an amount of \$284.00 based on the clergy portion of the assessment.

Very Rev. Haigazoun Melkonian was appointed as our Parish priest in October, 1978 which obligates our Parish for 3 months of the clergy portion of the assessment. However, the Diocese has assessed our parish for having a clergy for 9 months during 1978. The following summary is submitted by our Parish:

Parish Assessment-----	\$3,947
Etchmidazin Looma-----	75
Total Assessment-----	<u>\$4,022</u>
Less Payments made to Diocese thru 12/3/78-----	<u>3,500</u>
Balance Due-----	\$ 522

Adjustment for clergy portion of assessment	
Per Diocese 3/4 x \$476 = \$357	
Per St. Gregory 1/4 x \$476 = \$119	
Adjustment-----	<\$238>
Adjusted balance due to Diocese for 1978	
assessment- check enclosed-----	\$284

We hope that the above summary is acceptable. If you have any questions, please do not hesitate to contact me.

Sincerely yours,

Richard Serabian
Parish Council Chairman
