Dear Father Sahag:

We have received your April 13, 1994 letter regarding the question of eligibility of another delegate to attend the 1994 Assembly.

Though you have increased membership in 1993 to 129 from the previous 91 (the 1992 count), this does not qualify your parish to increase the number of delegates for this year's Assembly. The number of delegates eligible to represent your parish is based upon the 1992 count as of the end of that year and not the 1993 count.

Therefore, at the end of 1992 you had 91 members thus qualifying your parish to have one delegate represent St. Gregory Church. The additional delegate will be added for next year's Assembly.

We trust this clarifies your question.

With prayers,

Abp. K. Barsamian
