

SAINT GREGORY THE ILLUMINATOR ARMENIAN CHURCH
YOUNG ADULTS GROUP
Annual Report for 1995

Coordinator: Barbara Sarkisian-Arthur

Number of meetings: 1

Number of members/attendees: 30-40

The Young Adults Group held their first meeting for 1995 in February with a pizza dinner. At that meeting the coordinator asked members to consider taking on the coordinator role for the year. Unfortunately, there were no volunteers. However, during the year the Young Adults Group supported every function that was held either by preparing and serving dinners, baking, and attending church sponsored functions.

In March we held our annual Lenten buffet which was very successful. After dinner we participated in the Lenten service. In June we supported the annual picnic. The coordinator was asked to Chair the 50th Anniversary Ticket Committee, which she did. The Young Adults also donated \$250. to the Anniversary Ad Booklet and attended the banquet in October. In November the Group hosted the Harvest Festival (bazaar) luncheon and gave all around support in contributing to the Festival's success.

Respectfully submitted,
