

SAINT GREGORY THE ILLUMINATOR ARMENIAN CHURCH

Loosavorich

Annual Report for 1996

Executive Committee: President: Rev. Fr. Sahag Kaishian
 Editor: Yn. Lana Kaishian
 Treasurer: Carolyn Howard

Meetings between the Loosavorich Staff were held very casually either on Sunday's after church or over the phone/computer. This year we were able to publish only one issue of the newsletter due to personal time constraints . The newsletter served as an outreach to the general Armenian Community in Massachusetts, New Hampshire, Maine and other various locations throughout the country. Church activities as well as parishioner news was included in the paper. Reports from the organizations of the church, a message from the pastor, announcements on upcoming events, humorous articles, recipes and Liturgical features were also included. Advertising space was also available for a flat fee however, there was no concentration on this area this year again due to time constraints.

Due to these time constaints Yn. Lana and Carolyn Howard have informed the Parish Council that they will not be able to continue in their capacities for the newsletter. We thank everyone who has helped make Loosavorich a wonderful newsletter and hope that it will continue to be a tool for outreach in the Armenian Community.

Respectfully submitted,

Yn. Lana Kaishian
