Mr. F. Avakian-Stonson, Esq., Sir,

Dear Sir,

This is a short note to let you know that as you notice on page 8 of the Diocesan Annual Report Form at the bottom of the page there is an insertion by the Treasurer who filled the financial portion of the form saying that "Stipend agreed upon due to pastor being part-time." I would like to state that this is totally erroneous and never corresponds to reality. I have never been a part-time pastor and in fact by the order of the primate one for all I was recognized as full-time pastor long ago. I will appreciate any action on the part of the stipend committee on this matter. Will you be please kind enough to refer the matter to the stipend committee? Thank you!

prayerfully

John
