To Whom It May Concern,

According to the Clergy Stipends Resolutions of our Diocese, I expect ~~to receive~~ my full payment with back pay for 1984. I think that this is my right after 11 years of service in this parish with archaic stipends. The Parish Council should realize that it is not within the province of their jurisdiction to decide the amount of the stipend, and totally disregard the resolution of the Diocesan Assembly, the highest authority of our Diocese. I hope that the Diocesan authorities will enforce their authority in this regard once for all.

Thank you
